Does user input match any preset keywords?

Giphy feedback

Does user input match anything in moods.txt?

I am excited!

what

Input keywords matching preset moods data

Input keywords matching preset conervation

Seems like Darvaza Desert, Turkmenistan is a nice place for you to go now...

For getting travel desination help, you can also type in 'what. who. hi, where, when, why, jokes, and facts to know more about me...or just experience magic happen typing in your current mood...
